Site Information

Yeovil Country Park consists of five green spaces at Ninesprings, Penn Hill, Wyndham Hill, Summerhouse Hill and Riverside, linked by a level cycleway and footpath. It offers great recreational space and superb wildlife watching opportunities.

Dogs must be kept under control at all times especially on the main cycle path. There is a no-dogs zone around the lake for the protection of wildlife. Please clean up after your dog and take litter home.

Wheelchair accessible tables are located outside Ninesprings Café and in the BBQ area.

The cycleway is open to the public, you are welcome to cycle, scooter or skate along. Watch out for other people and dogs that may be using the path too.

There are natural play areas for children located at Ninesprings and Riverside. Pick up the "30 Things to Do" leaflet and see if you can complete all of the challenges.

Artworks including sculptures, wooden carvings and murals are hidden gems all over Yeovil Country Park. Pick up the "Art in the Park" leaflet and start discovering.

Pushchairs

You can access many of the paths with pushchairs in Ninesprings, particularly if you don't mind bumping up and down steps. Steps in the valley gardens are marked on the map below.

Challenging Route

0.4 miles / 0.7 km

This route follows the tarmac path up a hill into the woodland at Ninesprings. As the path enters the woods it becomes compacted gravel and can be muddy in patches during the winter and bad weather.

The trail ends where the stream crosses the path, with views up into the valley gardens.

Enjoy the woodlands throughout the year; in spring it's full of bluebells and wood anemones and in autumn discover the rich autumn colours and array of fungi.

Two Easy Access Trails

There are two easy access trails through the park -

Flat River Walk

taking in waterside views from level tarmac, or

Challenging Route

through woodland on a more challenging mixed terrain path in Ninesprings' Victorian valley gardens.

Map keys

Flat River Walk

1.5 miles / 2.4 km

This level, tarmac route follows Dodham Brook and the river Yeo through the country park, on the old railway track. It passes lakes, meadows and woodland from Lysander Road to Sherborne Road. The route is flat with the exception of a small humpback bridge.
